Good evening,

Just a couple of quick updates about additional events we've added to the calendar this month!

And a quick update on the **Flipping the GA State House Call Tuesday night** with Eric Robinson GA's IND National lead and Indivisible GA Coalition leaders. Thank you to those who joined the call. As you know **GA is one of seven battleground states** Indivisible National is putting extras resources into. **The goal is to flip 10 State House seats, 5 of which are in Cobb: HDs 19, 34, 44, 45 and 46.** The plan is to focus on these seats and then all races up and down the ticket that fall within those districts.

We continue to review the incredible response to our Midterm Volunteer Survey and will be in contact with you soon. More than **100 members** have completed the survey so far - **THANK YOU!** Your willingness to step up is inspiring. If you haven't completed the survey yet, there's still time. We'll continue to keep it open, and you can find the link below.

Our July priorities:

1. Contacting survey recipients to find out availability
2. Provide training for things like canvassing and phone banking
3. Continue to connect with candidates for postcard writing opportunities. If you'd be willing to host a postcard-writing event in your home or at Kirkwood Presbyterian Church, we'd love to hear from you. Please email us at indivisiblecobb@proton.me.
4. Continue with voter awareness events thru Oct 5 which is the **LAST DAY TO REGISTER TO VOTE**. If you are interested in hosting one of these events, please email us at indivisiblecobb@proton.me.

Our goal is to have our volunteer teams trained, organized, and ready to hit the ground running **by August**, as voters begin paying closer attention to the midterm elections and **EARLY VOTING STARTS OCT 13**.

We're also excited to share that a new **Neighbor2Neighbor (N2N)** GOTV campaign will be launching across Georgia very soon. We'll share more details as soon as the campaign is live. In the meantime, please refer to our [NEW Voter Info Tab](#) on our website for all your voting resources, including links to election dates, candidate races on the ballot and so much more.

Thank you for every contribution you make to this organization and to the work of engaging voters and strengthening our communities. Whether you volunteer once or every week, every conversation, every postcard, every phone call, and every hour you give makes a difference.

I'm incredibly excited about the months ahead. We have a tremendous opportunity before us here in GA, and I can't wait to roll up our sleeves and do this work together.

USA v BEL World Cup Viewing Party **Mon, Jul 6 @ 6p**

us After **Team USA's exciting 2–0 victory** over Bosnia and Herzegovina last night, they've advanced to the next round of the playoffs and will take on Belgium this **Monday at 8:00 p.m.**

 Join us at **Glover Park Brewery** right off Marietta Square! We'll arrive around **6:00 p.m.** to grab a few tables before the crowd arrives. The brewery offers beer specials on game nights, a food truck will be on-site, and you're also welcome to bring your own food.

 Whether you're a die-hard soccer fan or just looking for a fun evening with fellow members, we'd love to have you join us. [Come cheer on Team USA with us!](#)

Marietta City Council Meeting on Powers Ferry Data Center, Wed Jul 8 @ 7p

The Planning Commission voted 4–3 to recommend approval of the proposed Powers Ferry Data Center. The proposal now moves to the Marietta City Council next Wednesday, Jul 8 at 7p for consideration. A strong public turnout sends a powerful message that our

community expects thoughtful planning and responsible oversight before additional data centers are approved. Let's show up and make our voices heard.

Date: July 8, 2026

Time: 7:00 PM

Location: City Hall - City Council Chambers - Lobby Level

Address: 205 Lawrence Street, Marietta, GA 30060

If you're unable to attend, please take a few minutes to contact City Council members and urge them to support a **moratorium on new data centers until appropriate regulations and safeguards are in place**. Every email, phone call, and meeting attendee makes a difference. Now is the time to make your voice heard.

This proposed development is located in **Ward 7**, so if you live in or near the area, your input is especially important.

Marietta 4th of July Parade

Looking forward to seeing you all at Marietta's 4th of July parade again this year with our theme, "Vote Like Your Democracy Depends On It". Sign up [HERE](#) to walk or ride with us. Still time to join us in the planning in our signal chat [HERE](#).

Remember to start hydrating now! It's going to be a scorcher, but parade route is only 1.5m and we will be pulling a trailer that still has a few open seats on it. We will have plenty of water on ice and cooling towels, but bring whatever you need to beat the heat - umbrellas, handheld fans, misters, etc...

And don't forget to wear your themed t-shirt. They will be available for a \$20 donation if you don't already have one day of.

Save the Date - We are Your Neighbors - GA Stories of Struggle and Resilience - Thur Aug 27 @ 5:30p

We are working with **Third Act Georgia** and a **coalition of other progressive ATL groups** on plans for a public forum featuring **Georgians whose lives and communities have been up-ended by the Trump agenda**. Our event will take place in Marietta on Thursday, August 27th, 5:30-8:30p at Dave and Busters, Marietta.

We are currently looking for compelling story-tellers, such as:

- ✓ A farmer dealing with high fertilizer prices and extreme weather
- ✓ A veteran having trouble getting VA services
- ✓ A fired CDC scientist
- ✓ Someone who has lost food benefits due to federal-government pressure on states to cut spending
- ✓ A capable government official or military officer fired or demoted and tarred with the label of "DEI hire"
- ✓ Someone unable to afford solar panels because of cuts to the Inflation Reduction Act
- ✓ A past Trump voter troubled by high prices, corruption and the war against Iran
- ✓ A victim of crypto hype
- ✓ A victim of an extreme-weather event who has struggled to get disaster aid and worries about the political power of the fossil fuel industry.

And that's just a few of the possible categories. Regardless of issue, we're looking for persuasive and relatable people with engaging stories to tell. Please email us at indivisiblecobb@proton.me if you have someone in mind, and say a few words about why you think they would be effective. Thank you!
